The Fox Inn is a wonderfully historic pub & has been serving up great food since the early 1800's. Hearty British favourites bursting with fresh, seasonal produce using only the best regional ingredients. Everything we cook, bake or assemble is lovingly made from scratch.

Our menu evolves with the seasons, ensuring we utilise nature's larder when ingredients are in their prime.

The emphasis is always on quality produce, treated with respect and care. Let the roaring fires, wooden beams & master cookery captivate your heart & stomach in equal measure!
